## **Port Panama City Florida Port Condition X-RAY**

The U.S. Coast Guard has raised the port conditions at Port Panama City to X-RAY. At this time, we plan to close container gate operations at 12:00 P.M. CDT on Wednesday, September 25, 2024, and general cargo gate operations at 4:00 P.M. CDT on Wednesday, September 25, 2024. At that time, Port Panama City will suspend port operations and complete the securement process. Based on the current weather forecast, Port Panama City operations will be CLOSED on Thursday, September 26, 2024. The Port will reopen when weather conditions allow for safe operations.
